2009 SHARON GRIERSON EDUCATION SCHOLARSHIPS ANNOUNCED

Federal Member for Newcastle Sharon Grierson was today pleased to announce the two recipients of the annual Sharon Grierson Education Scholarship.

The two scholarships each consist of a \$250 book voucher, and will be presented by Sharon Grierson MP to one Newcastle University and one Hunter TAFE student.

The recipients are:

Marron Match

Marron, a Hamilton resident, is currently in his second year of study at the Digital Media Centre, in the Arts and Media Faculty of the TAFE NSW Hunter Institute.

Marron's main focus is his graphic designs, some of which have been selected for the promotion of the Retroscope Exhibition 2008 for Graduates of the Design Centre. His primary goal is to further his education and skills and be the best he can within the industry.

"It always pleases me to see a student such as Marron with such a strong work ethic," Ms Grierson said. "I am confident of his ability to succeed in the Digital Media industry, and am more than happy to be able to help him on his way."

Emma Hill

Another Hamilton resident, Emma decided to re-enrol in her studies after 13 years as a chef. She is currently studying her Bachelor of Food Science and Human Nutrition at the University of Newcastle. Emma plans to forge a career in the food services industry after her Honours year.

"Emma's strong interest in science and research will be invaluable in the food services industry," Ms Grierson said. "As a mature aged student, I have no doubt her combination of experience and education will take her far in her career."

The awards will be presented in Ms Grierson's Electorate Office located at 427 Hunter Street Newcastle, at 11am.
