Newcastle Permanent Building Society Wins Building Society of the Year

Federal Member for Newcastle, Sharon Grierson MP, today offered her congratulations to the Newcastle Permanent Building Society for winning Building Society of the Year at the Annual Australian Banking and Finance Awards in Sydney last week.

The awards, now in their 19th year, are an opportunity to celebrate the successes of the Australian banking and finance sector, and also to reflect on the challenges faced during the Global Financial Crisis.

"For the 'Perm' to win such an important award during the current economic climate is a great honour for the company, as well as for the people of Newcastle who benefit," Ms Grierson said.

"I offer my congratulations to the Newcastle Permanent and wish them all the best in their future role in our great city."

The format of the awards was revamped this year, to include a panel of experts to assess and judge the nominations.
