NEWCASTLE DRIVE FOR SAFETY

Saturday
9 December 2006
11.00am
McGrath Newcastle Depot
14-16 Gross St, Carrington

Federal Member for Newcastle Sharon Grierson will help raise awareness of safety in the transport industry by taking part in the *National Drive for Safety*.

Sharon will join McGrath Newcastle Managing Director Craig McGrath on a truck tour of the electorate to get a first-hand look at the issues facing heavy vehicle users on our roads.

The *National Drive for Safety* is a nation-wide initiative of the Australian Trucking Association, and is an excellent opportunity to highlight safety awareness during the busy holiday period on our roads.
