ENROL FOR BETTER OPPORTUNITIES

Every election thousands of eligible voters, particularly young people, can't have their say at the ballot box because they haven't enrolled. Voting is a right and a responsibility to choose the best opportunity for our nation's future.

Sharon Grierson today urged everyone in Newcastle to make sure they are on the electoral roll and that their details are correct before the rolls close on Tuesday September 7.

Every Novocastrian should have their say in the Federal Election on Saturday, October 9.

Every Novocastrian should have the opportunity to tell John Howard that on Saturday October 9 they will be casting their vote for a government that will deliver for Newcastle.

Howard will be judged at the ballot box on his government's performance over the last 8 years. With youth unemployment in Newcastle of 30% and job opportunities for mature aged workers ever decreasing, Novocastrians can't afford to wait another 3 years for change.

If Howard and/or Costello get 3 more years it might be too late to save bulk billing, make education affordable, tackle youth unemployment, stop the sale of Telstra and save our rivers.

Don't take a chance, make sure you're enrolled before Tuesday September 7.
